

The EFCE President, Professor Richard Darton, and the Executive Board of the Federation invites you to participate in the:

# EFCE Forum 2010

Saturday 28 August 2010

17:00 – 18:00 hrs

Gourmet Restaurant  
Congress Hotel Clarion  
Freyova 33  
Praha 9-Vysčany  
Czech Republic

On the occasion of the [7th European Congress of Chemical Engineering](#), the President and Vice Presidents of the Federation will give short presentations on the strategy and future direction of EFCE.

Please join the Secretaries General, leaders of EFCE Member Societies and Working Parties for this important conversation about the future of the Federation which represents more than 100,000 chemical engineers across the continent.

*Refreshments will be served.*
